SOUNDWARE XS 5.1 SE
HIGH PERFORMANCE
HOME THEATER SPEAKERS

SoundWare
XS SE

The SoundWare special high-gloss edition of Boston's award-winning SoundWare XS 5.1 system is an ultra-compact 5.1 speaker system that brings a new level of style and substance to the fast-growing surround sound home entertainment category. It allows users to enjoy rich, room-filling surround sound with their home entertainment systems, while complementing virtually any décor in a stylish yet subtle (even virtually unnoticeable, if desired) manner.

SPECIAL EDITION SOUNDWARE XS 5.1 SE HIGH PERFORMANCE HOME THEATER SPEAKERS

Key take-away: High gloss sats, ultracompact compared with the competition, but with serious audio firepower, placement flexibility, and brackets included.

Incredibly small speakers provide big, high performance sound

BassTrac® circuitry for deep, powerful bass

Included wall brackets can be positioned at almost any angle

Key Features
