Spin Clean - worldwide distribuion by Pro-Ject Audio

Clean your valuable vinyls gentle, but efficient! Clean records sound much better and help to protect the stylus from dust. Spin Clean clears manually and is suitable for all kinds of records: LP's, 45's, 78's

Spin Clean Record washer system includes all necessary parts: 4 oz. (118ml) washer fluid, 2 brushes and dryer cloths. The cleaning process is extremely simple! First you fill distilled water into the basin, than you add washer fluid and insert the record you want to clean.

Both sides of the record are clarified in one go and dust remains at the bottom of the basin. Of course all components of Spin-Clean are available as accessory!
