

Ventura

Outdoor Loudspeakers:
Ventura 6, Ventura 5, Ventura 4

Information Sheet

Serious sound quality outdoors demands KEF's brand new Ventura outdoor loudspeakers. On the patio, by the pool, or on your yacht, the Ventura range features three models, all with a UV resistant, high impact ABS cabinet and robust corrosion resistant aluminium bracket & grille system for years of listening pleasure, regardless of your latitude or longitude. Featuring an integrated mounting bracket with up to 180 degrees of lateral adjustment, optimum placement is simple.

Two additional brass threaded inserts on the rear of the enclosure provide even more mounting options. Because they're from KEF, you can be sure the Ventura range is voiced for clarity and impact specifically for an outdoor setting. All Ventura models feature a fluid cooled anodised aluminium dome tweeter which delivers smooth high frequency, and an injection moulded, low-distortion long throw woofer with rubber surround for deep, authoritative bass that is sure to pack a punch. Both drivers integrate

flawlessly to deliver the sonic perfection KEF is famous for the world over. With 3 models, ranging from the ultra compact Ventura 4, the intermediate (in size only) Ventura 5, and the top-end Ventura 6, there is a KEF Ventura loudspeaker ideally suited to any outdoor installation.
