

OLi C30

2-Way 5.25" Centre Channel

Roth

The centre channel speaker is the most important speaker in a home theatre system because it is typically responsible for 60% - 70% of the audio and the majority of the vocals.

The Roth OLi C30 Centre Channel is timbre matched to blend seamlessly with all models in the Roth speaker series to provide the same stunning performance in multi channel home theatre as you have become accustomed to hearing in 2 channel stereo.
