

# HiFix Vinyl Current Stock List (08/04/2024)

We currently have over 1500 vinyl record titles in stock.

We have made some of our popular records available to be bought online - indicated by "**Buy Online**" on this list. Just click and this will take you to the web page. When not available on line to purchase, just telephone our sales lines or email your orders. We are working hard to get more titles available to buy online as new titles become available.

If you need a title that is not listed we may still be able to order for you provided the record is still in production.

All records can be ordered by contacting the HiFix sales team on 02476 631707 or [sales@hifix.co.uk](mailto:sales@hifix.co.uk)

Stock levels on vinyl sales are very fluid and can change throughout the day so please check our stock levels by selecting the "STOCK" tab on our product page or contact us for a live update before placing an order.

This PDF List is updated every day at 7:00 PM - if the date at the top of this page is not yesterday's or today's then please try "refreshing" or "reloading" this in your web browser.

**Free shipping on Orders over £50.00 with same day despatch if ordered before 2:00pm.**
